0001. The Archers Timeline

A discussion paper for Archery Australia.

What Is The Archers Timeline?

It is a graphical representation of the paths a person starting their archery career may take.

It was created to tie in with the National Archery in the Schools Program (NASP) in Victoria and was funded by a grant from the Sport and Recreation Department of the Victorian Government. The NASP needed a document that could be presented to the schools as a pathway from the NASP to membership of an archery club.

It has since been suggested that The Archers Timeline be used as a prequel to the Pathway Program.

Updates

Since its inception in early 2009 it has now been updated with the Ratings Challenge, Challenge Shoots, Challenge Coaching, the Coaching Hierarchy and a recognition of the tiered membership system.

You will find these items in separate discussion papers at www.idontknow.com.au

For your consideration.
